## Film "Abraham and Isaac" Premiere Here June 7 Proceeds to Go to Community Chapel

The motion picture of the Bible story of Abraham and Isaac, filmed in the Joshua Tree National Monument, with the setting on the Hidden Valley Ranch of Mrs. Alice Hibbard and Forrest Wilson, will have its Premiere at the American Legion building in Joshua Tree, Saturday, June 7. Proceeds of the showing will go to the building fund of the Joshua Tree Community Chapel.

The picture, in natural color, was produced by the Crusade Films, was directed by Prof. Alfred Frantz Stury, professor of Religious Drama at Chapman College, in Los Angeles.

The locale was donated by Mrs. Hibbard and her son, Forrest Wilson, with the understanding that the premiere would be held in Joshua Tree, and the proceeds go to the Chapel fund.

The artists who appear in the picture will be on hand for a personal appearance as will the cameraman who did the filming, and a newsreel short will be made of the local gathering.

The American Legion have donated their hall for the showing, and in addition to the feature picture there will be shown a travelogue, and several musical numbers are on the program.

## New Subdivision Opening May 31 "Paradise Valley" Adjacent to Joshua Tree. Modern In Every Respect

Announcement is made of the opening on May 31st of the new tract, Paradise Valley, three and one half miles west of Joshua Tree on the Twentynine Palms Highway. This beautiful property is owned by the Kranshire Realty Company and the sales will be handled by Ray C. Smith and Associates, Howard S. Reed and Frank Young, Realtors.

Years ago, before the advantages of desert living had been so widely 'discovered,' the Kranshire people with millions of acres to choose from, selected what is now called Paradise Valley as their idea of the most desirable section of the great Joshua Tree area. Having acquired the land, they were content to await the time for its proper development, and now with the attention, not only of California, but the entire nation focused on the desert, this land for the first time is offered to the public.

Paradise Valley will be a modern subdivision in every respect. Paved streets, electricity and sparkling deep-well water has already been developed by the owners, which means that purchasers of desert

## Lions Club Plan To Sponsor Unified Name for This Area

The Tri - Valley Lions Club at their meeting last Thursday night at the Angel Cafe in Morongo Valley listened to a proposal by Dick Curtis Pioneertown leader that for the purpose of greater unity among the communities and to better inform the public on the outside; where our various communities are located, that we should adopt a name for the whole territory from Morongo through to Twentynine Palms. The idea almost instantly met with the approval of the Club and it was voted to make this the principal topic of discussion at the next meeting, June 5, at Joshua Tree. Twentynine Palms Lions will be invited to participate in the discussion.

## Women's Club Holds Memorial Service

On Friday afternoon, May 23, the Clubhouse was the scene of an impressive memorial service in honor of the Joshua Tree Women's Club members who have died within the past year. Those members to whom tribute was paid by Mrs. Thelma Wiser, president, were Mrs. Del Moore, Mrs. Jesse Rowell and Mrs. Jack Lowther.

At this meeting nominations for (Continued on page 3)

## Notes From The Custodian's Office

TWENTYNINE PALMS, May 26—Foreman Bob Lake and Laborer Bob Joyce journeyed to the San Bernardino Engineer Depot May 19 to take delivery of a 1000-gallon road sprinkler to be used in maintaining the Monument roads. They returned to San Bernardino the following day and brought back a quonset hut that will be erected for use as an equipment storage shed.

Elmer R. Camp entered on duty as Fire Control Aide May 22 and will patrol the Monument roads until the end of the current fire season.

Truck Driver Glenn Coats is taking a two-week vacation from the job and will devote time to painting his house.

A total of 7478 visitors entered the Monument during the month of April. This was a decrease of 17.5 per cent from the previous month but an increase of 47.5 per cent over April of 1946.

## P.T.A. Holds Last Meeting Before Vacation

The regular meeting of the Joshua Tree P.T.A. was held Tuesday evening, May 20. This was the last regular meeting until September.

New board members are: Mrs. Gladys Bode, program chairman; Mrs. M. V. Papendick, membership chairman; Mrs. H. K. Lee, historian, and Mrs. Mary Ojala, magazine chairman.

Mrs. M. V. Papendick thanked all those helping to make the P.T.A. booth at the Turtle Races such a success. The proceeds will be used next year for our new school equipment.

C. J. Herbst announced a summer reading program for the children with library books available at the San Bernardino County Branch Library located in the Becker Variety store. Parents are urged to take advantage of this opportunity to help their children with their reading.

The P.T.A. wishes to thank Mr. Herbst for his help and sympathetic consideration as a teacher during the past school year. We are sorry to see him leave our community. Mrs. Dessa Keatley will be here next year to greet our first and second graders and hear their problems with a sympathetic ear. We will have a new teacher for the upper grades.

Be ready in September for an-

## Utilities Commission Hearing Here June 4; Company Ready to Proceed As Soon As Order Is Received

(Special To The Journal)

At 2 p.m. on Wednesday, June 4, 1947, there will be a hearing in Joshua Tree before the Public Utilities Commission of the State of California for the purpose of reviewing the application of the California Water and Telephone Company to establish a separate telephone exchange at Joshua Tree, to be known as the Joshua Tree Exchange, Wm. Nash, District Manager of the Telephone Co. announced today.

## Dedicate New Hotel

Friday, May 30, at 2 p.m. Chester R. Bunker of the Townsite Company will lay the cornerstone of the Le-Orra Hotel in Joshua Tree. Mr. Bunker will deliver a short address to which Frank Wilberg, owner-builder of the new hostelry, will respond.

The foundations and floors for six of twenty-four proposed units have already been poured. In the cornerstone will be sealed a copy of the Joshua Journal, a coin and other items of current interest.

Mr. and Mrs. Wilberg extend a cordial invitation to all members of the community to attend the ceremonies at the new hotel site on the 29 Palms Hiway near El Reposo Road.

## Public Utilities Commission Gets Joshua Tree Exchange Petition

## Legion to Hold Memorial Services

The American Legion, Joshua Post 708 will conduct public Memorial Day services at the Legion Hall, Friday, May 30.

The program will start at 10 o'clock and will finish at the Silence Hour at 11 o'clock.

Commander Jeff Overbay says, the post has prepared a very inspiring program, and this being the day when the Nation pays homage to our departed war heroes, he would like to see everybody in Joshua Tree present at this service.

## Chas. Daugherty Passes Away

Charles Daugherty, a long time resident of the desert, whose home was five miles east of Joshua Tree, passed away at the Loma Linda Hospital Friday, May 23.

The funeral was held from the McAuley & Lutter Mortuary, in Fullerton, Tuesday at 11 o'clock.

Other P.T.A. meeting with all the parents, teachers and friends helping for another successful year.

At the present time Joshua Tree is included in the Twentynine Palms Exchange area and service to the residents of the community of Joshua Tree is rendered through the medium of toll stations. But Joshua Tree has now grown to the point where a separate Joshua Tree Exchange area is desirable and exchange service made available to the local community. Company engineers, Mr. Nash says, have been studying the area for some time, and the Company is prepared to go forward with its expansion program just as soon as the Public Utilities Commission gives its approval for the establishment of the Joshua Tree Exchange. A great deal of construction work will have to be done, however Nash stated, before exchange facilities can be provided, and this work will require from 2 to 3 months after the Commission approval has been received.

SAN FRANCISCO, May 27 (WNS)—A new and separate telephone exchange for Joshua Tree was proposed today by the California Water & Telephone Company in a petition filed with the California Public Utilities Commission.

The company renders telephone service in portions of Los Angeles, San Bernardino, San Diego and Riverside Counties.

In its application it set forth that at present the Joshua Tree Telephone service is handled through the 29 Palms Exchange, but that this is unsatisfactory.

Many patrols and residents of the area have requested the establishment of a central exchange at Joshua Tree and such establishment will lead to more and better service, the company asserts.

The company proposes to separate from the present 29 Palms exchange an area consisting of 288 square miles and serve this district through the new centralized Joshua Tree office and exchange.

The Pacific Telephone and Telegraph Company has indicated that it favors creation of a new central office at Joshua Tree.

New toll rates will be set up with Joshua Tree as the toll rate center for the district, according to the company's application.

## Town Gossip

John Bild and his mother, Mrs. Christian Bild are spending a few days in Joshua Tree, and John is putting the finishing touches on the little home they have been building with weekend work.

Mrs. Nellie Clark of Van Nuys and Mrs. Margaret Coleman and son, Marshall of Encino spent several days visiting their friends, Mr. and Mrs. Wm. Kirch.

They enjoyed a trip to the Monument and covered the entire valley. They were very much impressed by the desert and plan to come back soon.

Mr. and Mrs. L. A. Dillon, of San Diego came out to visit their friends Mr. and Mrs. R. K. Fields for a weekend and liked our desert and the town so well they stayed on for a week and now it looks like we may have the privilege of counting them amongst those present in a short while.

Bob Kroes, Sun Valley turkey leader spent most of last week in Los Angeles on business.

Forrest Wilson has purchased the Monteleone property on Easterly Drive.

Frosty Foster and Walt Godwin were at Lake Havasu on the Colorado River fishing last Sunday. They report everybody was catching their share of fish. Foster and Godwin each caught their limit of large bass in three hours.

Weekend visitors from Los Angeles were Mr. and Mrs. George Pauly who have purchased the John Snider residence in Joshua Tree. They have engaged Sam Frye to enlarge and remodel the property into a modern desert home.

Mr. Pauly, who is with the Santa Fe railroad, tells us that his wife and he intend to settle in Joshua Tree in the near future. Welcome to the desert, folks.

## Joshua Cubs Hit Win Column

In an overtime session that kept the fans in an uproar the local softballers won a free-hitting league game from the Joshua Tree Cafe of 29 Palms Thursday night. Playing under the lights the two teams slammed out 19 runs apiece during the regulation 7 innings. In the last half of the ninth Leyhe of the Cubs lifted one out among the chollas that was good for the circuit and the ball game.

As the box score indicates few of the runs were earned but were due to the generosity of the hurlers.

### THE CUBS DO IT AGAIN

The high wind made it a tough day for pitchers on both teams Sunday as the Joshua Cubs continued on their winning streak by

slamming out a 24-17 win over the Joshua Tree Cafe sluggers in a non-league matinee. The batsman's holiday was held at the American Legion diamond in Joshua Tree.

The visitors from 29 Palms had a big inning in the 1st but the Cubs came through with a home run barrage in the 3rd that left little doubt as to the final outcome.

Marble and Clark handled the mound work for the winners and Doc Ford caught. At presstime no box score was available.

## Phil Ossifer Says

Once upon a time—not so long ago—some unknown writer composed the following: "Commend him who, with the aid and encouragement of friends and relatives, attains success; but the man most to be admired is he who succeeds in spite of h—."

When you drive on the highway remember that the other fellow has as much right to his life and limb as you have. Don't be a road hog and crowd him off the road.

To advise reckless drivers to be careful seems like a waste of energy. They do not pay any attention to you. The careful driver needs no advice.

Whenever you get anything for nothing it costs you something.

Whenever you think that you have reached the point in business where you can stop advertising, that is just the time to begin advertising.

Self confidence in one's own ability to make good is the most impelling thing that man can possess. It is more than half the battle.

The great poet, Ovid, once said: "To love long one must be content to grow old." How often you heard someone remark, "Gee, I don't want to live to be 90." He's kidding himself when he says that. Everybody wants to live as long as they can.

## FAREWELL

With this issue of the Joshua Journal I bid my readers and friends farewell. Leaving this desk is like leaving home, but circumstances seem to dictate my leaving. I want to thank the many friends I have made thru these columns, for the support and the many letters and kind words of appreciation. That appreciation was further evidenced by the fact that since taking over the editorship in January, and without benefit of circulation campaign or solicitors, the paid subscriptions have more than doubled. Thanks, friends.

Now, I want to introduce to you my successor, Colonel Gerald O. McMillen. Col. McMillen is a veteran of the late World War, President of the Joshua Tree Chamber of Commerce, and a man of wide experience in commercial art and advertising, and a capable writer. I commend him to you. I am sure under his editorship the Journal will prosper, and continue to grow.

## Lowly Philosophy

By JUNE LeMERT PAXTON

THE JOSHUAS

"Dear Mrs. Paxton:

On April 24, 1947 when coming up Whitewater grade about one mile from Whitewater Station, I found a woman's purse. The identifications inside show it must belong to you. I will stop at the Texaco station and cafe at Whitewater my next trip through and get the necessary information as to where to send it to you or where

to leave it. (Signed) Louie Basse, Westminster, California."

My purse had been lost for several weeks and, although I had advertised, I had no trace of it. Then in the mail, recently, came the card with the above information. Evidently my purse had fallen out of my car right-hand door as it jiggles open when I drive over rough surface. I did not miss it until nearly home.

We read and hear so much about dishonest people, about greed and graft that I think, for a change, it's worth while to give credit to an honest man. There are still

many honest people—people who, though in a small way, are making life in this turbulent world a happier and an easier place in which to live. Thank you, Louie Basse!

Our building fund is growing and soon will be ready to start building on our Community Chapel.

Through our very good friend "Aunt May" Hibbard and son, Forrest Wilson, we will have the premier of the first picture taken in our Joshua Tree National Monument, Saturday, June 7th, 1947.

Mrs. Hibbard and Mr. Wilson donated the locale for the picture, with the understanding that the premiere would be in Joshua Tree, for the benefit of the Joshua Tree Community Chapel. This very fine picture, "Abraham and Isaac" was produced by the Crusade Films and directed by Prof. Alfred Franz Stury. The artists in the picture will be here in person, and the cameraman will also take a picture of the gathering to view the premiere.

The altar was built in front of the barbecue pit, so well known by all who have visited the Hidden Valley Ranch. The picture is in Technicolor and there will also be a travelogue and solos.

The American Legion have donated their hall for the evening and this will be one of the finest entertainments we have ever had in Joshua Tree.

Everyone is most cordially invited and any and all donations will be most gratefully received. Tell all your friends and come and enjoy a most delightful hour. Prof. Stury is Professor of religious drama at Chapman College in Los Angeles.

## Flying News From 'K' Field

Fishing is increasing in popularity, since the followers of Isaac Walton have learned the convenience of getting to the water by airplane.

Sunday, Sid Lippon, Bill and Edward Watkins, and Radio Doc, chartered the twin engine Cessna for a fishing trip to Lake Havasu.

Mr. and Mrs. H. Banks from Glendale were visitors of Bob Thomas over the weekend.

Art Russu from Inglewood spent Saturday and Sunday trying out our desert thermals that he likes so well.

Fred O'Baer and father enjoyed some ridge soaring in the Laister-Kauffman Sailplane, Sunday. Fred is about ready to solo.

"K" Field is putting their hopes in Ray Parker to win the Memorial Day glider meet that is being held at El Mirage Dry Lake, 18 miles west of Victorville. Ray is also building a high performance ship that we hope he will win the National Glider Contest with.

been selected to handle the sales of this desirable property. From my experience of years in selling desert properties, in Palm Springs, Borongo and elsewhere, I feel certain that a community is due to rise here, of which all this area will be proud."

Mr. Reed was also enthusiastic about the future of Paradise Valley. "I've been coming to the desert for years," he said, "but never have the prospects for a

permanent, all year residence seemed so sure. In this area, with an elevation of more than three thousand feet, we have more than desert, ours is a mountain-desert country with the advantages of both. Desert lovers who put up with the blistering heat, high winds and sparse vegetation, should come and see Paradise Valley. I think they will be amazed and delighted."

"The most appealing advantages to me," said Mr. Young, "are the conveniences which Paradise Valley residents will enjoy. To be able to get into your car in the

city, drive over paved roads to your home on the desert and never get off the pavement — that's something! Then, with shops, lumber yards, hardware stores, restaurants and schools all at hand, these are the things which I think will prove attractive. City conveniences in a setting of peace, quiet and beauty, that's what people want and can get in Paradise Valley."

## Time to Change Desserts

Now is the time for all good desserts to come to the aid of the hearty ones.

Spring fever days are here, and no matter what you have heard about spring fever, it is often an overloaded stomach rebelling against the continuation of large, heavy, winter meals. Our body needs less fuel in warmer weather. If we fail to recognize this, we get that languid feeling that is called "spring fever". That's all there is to it.

Cut down on your meats and starches. Forget your mince pie, plum pudding, and large helpings of cake. Top off a moderate dinner with some light dessert such as a dish of rennet-custard. Watch spring fever disappear before you know it.

Incidentally, spring desserts may be made in the cool of the morning, placed in the refrigerator, and brought to the dinner table, cold and delicious. Little work, small expense, healthful and yet light. What more could one ask for?

Here's one recipe for such a spring dessert. Try it!

### Banana Rennet-Custards With Marmalade Sauce

2 medium bananas  
2 cups milk (not canned)  
1 package vanilla rennet powder  
Whipped cream  
Orange Marmalade Sauce

Cut one banana in small cubes and divide among 4 or 5 dessert glasses. Warm milk slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM, (110° F.) not hot, remove at once from heat. Add rennet powder to milk and stir quickly, for a few seconds only. Pour at once, while still liquid, into individual dessert glasses. Do not move until set—about 10 minutes. Then chill. Just before serving chilled rennet-custards, top with the other banana (cubed), Whipped Cream and Orange Marmalade Sauce.

**Orange Marmalade Sauce:** Combine ¼ cup orange marmalade and 2 tablespoons cold water or cream. Blend well.
